

WESTPORT
CREATIVE ARTS
FESTIVAL

Dear Ms Puckett:

We would like to thank you for your willingness and commitment to donate an item representative of your work to the raffle organized by the Westport Young Woman's League (WYWL) as part of the Westport Creative Arts Festival (CAF). This year the raffle proceeds will benefit needy organizations specific to Westport.

The artists who donate artwork will be recognized in several ways. The CAF raffle demonstrates the unique variety of arts and crafts available at the show and it highlights the particular artists who have made a donation. All items donated to the raffle will be displayed in a specific booth run by members of the Westport Young Woman's League right in the middle of the festival. All the artists will be recognized in the program. Many donations will receive special mention in the massive Westport Creative Arts Festival communication efforts conducted by the Westport Young Woman's League. Over the past years many local papers and broadcast media have picked up the story of the raffle and the donated artwork. We have been able to notice that the raffle actually draws visitors and buyers to the show.

Therefore we may say that the CAF raffle event serves many purposes in this show. The Westport Young Woman's League would like to count on your generosity and hope you will donate an item representing your work to be included in this year's raffle.

We really appreciate your participation and generosity and want to thank you for it.

Sincerely,

Elizabeth M. Juviler
