

Woodbury shows the weaver's art

weaving's not just
for rugs or blan-
kets any more, as

the art of Winsted master weaver Tina Puckett, now on display at Woodbury's Good News Cafe & Gallery, makes clear. The self-taught artist and owner of Tina's Baskets has been fashioning sculptures, baskets, and wall art, such as the woven Black-eyed Susan seen here, for more than 20 years, and has seen her work featured in magazines and newspapers, as well as shown at museums, art galleries, libraries and craft shows here and abroad. Good News Café is located at 694 Main St. South, and is open
